

● **PUBLIC ADVISORY NOTICE** ●

Date:- 27th June 2025

Subject: Public Advisory Notice to all relevant stakeholders conducting THSC approved courses

This is to formally notify all stakeholders, including Training Providers (TPs) and Assessment Agencies (AAs), University & Colleges associated with THSC as partners for NSQF approved Qualifications, to strictly adhere to the following directives:

1. Unauthorized Assessments

It has come to our attention that a few of our partners are conducting assessments in THSC approved Qualification Packs (QPs) through third-party agencies, bypassing Awarding Body / Sector Skill Council (SSC) protocols.

This practice is being followed by empanelled Assessment Agency as well.

● **Please note: No assessment in any THSC QP is permitted through third-party agencies.**

2. Blacklisting Without Notice

Any THSC empanelled / affiliated Training Partner / Assessment Agency / University / College is found to be conducting or aligning assessments independently on THSC-approved Qualifications without approval of competent authority (in this case THSC) will be blacklisted immediately, without any prior formal warning.

3. Assessment Channel

All assessments for THSC-approved Qualification must strictly be conducted through THSC's official channel.

Corporate Office:- 301, 3rd Floor, Naurang House, 21 KG Marg, Connaught Place, New Delhi 110001
www.thsc.in

4. Job Role Compliance

All partners must create batches only on Qualifications which are rationalised and credited. The Qualification used must be the updated version available on SIDH & NQR Portal and only those are permitted for assessment and certification under the latest **NCVET guidelines**.

5. Batch Creation Requirement

All batches must be created exclusively on the **SIDH Portal**. No assessment to be conducted outside SIDH without due permission from competent authority (in this case THSC or the respective Scheme owner).

6. Certificate Validity

Only **NCVET-approved certificates** issued via the **SIDH portal** will be considered valid for THSC job roles.

7. Deactivated Qualifications

Assessments in **deactivated/expired job roles** are strictly prohibited. Do not create any batches under such Qualifications.

8. Effective Immediately

This public advisory is issued with the **approval of the Competent Authority** and is **effective immediately** from date of issuance **(27.06.2025)**
